Nestled among rolling hills and tall pines, and just a stone's throw from the Historic Marietta Square, City Club Marietta gives the golfing public the flavor of a mountain course. While offering spectacular vistas, City Club Marietta requires excellent shot-making and accurate putting on bent grass greens. Our course is adjacent to the Marietta Conference Center & Resort located at 510 Powder Springs Street, Marietta, Ga 30064. Our mission is to provide golfers and visitors with the best customer service and playing experience of any course in the golf industry.

Marietta is rich with history and included in this history is City Club Marietta. The original nine-hole layout was designed by members of the Marietta Country Club and constructed on the former site of the Georgia Military Institute around 1912. That original layout included holes that encircled the clubhouse and ran along Powder Springs Street. An additional nine holes was added in the early 1960's. The property was bought by the City of Marietta and after an extensive renovation by Mike Young Designs, the course was opened to the public in the fall of 1991.

Conduct

We expect all guests to observe proper conduct during their visit. City Club Marietta reserves the right to eject, or cause to be ejected from the premises any individuals behaving in an objectionable manner. City Club Marietta will not be liable for any damages that might be incurred through the exercising of this right.

Damage/Liability

The event coordinator and/or group will be responsible for any damage to the facility or golf course from any of its members or guests as a result of gross negligence, willful misconduct, alcohol, or theft.

Food/Alcohol

City Club Marietta reserves the right to limit and/or deny groups from bringing their own food or beverages to the facility. In the event that items are allowed to be brought onto the premises, all items must be turned in to the City Club Marietta at least 2 days prior to the event to be inventoried. All items must be served by our personnel. No person shall be served alcohol under the age of 21. City Club Marietta reserves the right to deny alcohol to individuals if warranted. Special situations may be discussed with the Food and Beverage Manager. All unused items must remain on the premises at the completion of the event.

Outing/Event Information

Golf outings are defined as groups of 16 or more players; however it is possible to set up an outing package for smaller groups. Golf outings are eligible for a shotgun start, modified shotgun start or tee times start. Please contact the City Club tournament staff to see which format would best suit your group. City Club Marietta does not offer golf outings for large tournament groups on weekends or holidays. We do require a minimum of 100 players in order to have an afternoon shotgun start event. Any groups that have an afternoon start and require the course to be closed to the public the day of the event will be required to pay for a minimum of 100 players.

Our outing packages all include green fee, cart fee, range balls, a food and beverage credit of \$7.00 per person, and a pro shop merchandise credit of \$7.00 per person. Also, we will prepare the golf carts with player's names, rules sheets, and team scorecards. Prior to the start of the event, announcements will be made regarding the rules of the day, starting methods and special notes in relation to your event. At the completion of play, we will have a scoreboard set up to allow us to score the event and award prizes.

We will also be happy to plan any requests you might have regarding food and beverages for your group. Depending upon the time of your event, arrangements can be made prior to or at the completion of your event. Our event coordinator will assist you with scheduling your agenda, deciding upon the format, creating rules sheets and selecting prizes. We will administer everything from setting up the closest-to-the-pin and long drive contests, to staging your golf carts in fleet formation with all players names and hole assignments, to synchronizing modified shotgun starts. Our detail-oriented coordinators will make sure that your event is everything you want it to be and much, much more!
